Microfic May 2023

by lumosdrabbles (lumosatnight)

Summary

A compilation of 50-word stories for the open prompt challenge Microfic May! Each story is a standalone microfic with various characters and themes.

Chapters are labelled by characters/ship for easier perusal. Warnings are listed above each chapter.

Cedric/Viktor - Yellow Collar

Chapter Summary

@microficmay day 1 ‘yearn’, week 1 sensory challenge
For @bleepbloopbotz

“The egg… you should try…”

“I did.”

“Well, alright. I was just trying to help.” Cedric shrugged, his broad shoulders shifting beneath his robes. Viktor yearned to touch them, to smooth down the wrinkles of that taunting yellow collar.

“I don’t need you,” he grunted. Because he didn’t. He *didn’t.*

Theo/Pansy - Sweetheart

Chapter Summary

@microficmay day 2 ‘ambient’
For @ladderofyears

“Sweetheart.”

“Don’t call me that.”

“And why not? We’re married now.”

Pansy took a pull from her cigarette, the ambient air turning briefly bitter. “It’s an arranged marriage or have you forgotten, *darling?”* The smoke curled around the word, caressing the syllables disdainfully.

“How could I forget?” Theo said softly.

Cormac/Ron - Never Ever

Chapter Summary

@microficmay day 3 ‘revelation’, week 1 sensory challenge
CW: sexual content (mild)
For @peachpety

“Have you ever…?”

“No,” said Ron, gulping as Cormac’s hand moved lower.

“Not even with…?”

“No.” Ron’s voice cracked. “Hermione didn’t — she never wanted —” He lost the ability to speak as Cormac pressed firmly against his hardness.

Cormac smirked at this revelation. “Oh, we’re going to have so much fun.”

Sirius/Luna - Light

Chapter Summary

@microficmay day 4 ‘praise’
For @rhiaflamesong

Luna was like a flame, the soft flickering light drawing Sirius in through the dark and the grim of his old ancestral home. The way her soft smile lit up a room with warmth. The way she glowed, hot and bright, as Sirius left his praises on her unmarked skin.

Alice/Luna - An Apology

Chapter Summary

@microficmay day 5 ‘here & there’
For @herochicklyrrie007

When Bellatrix died, Luna brought a bouquet of white snowdrops to St Mungo’s. Alice gently set them in a vase, movements shaky and slow.

I’m sorry you weren’t there, they seemed to say — an apology, a consolation. But Alice knew their true meaning.

Ready to get out of here? — hope.

Fleur/Angelina - Euphoria

Chapter Summary

@microficmay day 6 ‘shatter’
For @bleepbloopbotz

Fleur was a drug.

Every time she entered with her glinting hair and upturned nose, hanging off Bill’s arm, Angelina was hit with a burst of euphoria — shattering and incandescent.

She never told anyone, but, sometimes, George met her eyes over the crowded dining table, smiling sadly like he knew.

Narcissa/Molly - A Winter Wedding

Chapter Summary

@microficmay day 7 ‘brumal’
For @rhiaflamesong

The wedding was in winter. *Too cold,* Narcissa thought. The guests frigid in the brumal temperatures, icicles sparkling in the manor ballroom.

Draco looked happy though, and that was what mattered.

Ron walked down the aisle, Molly at his side.

She was dazzling, radiant. Narcissa’s icy heart began to melt.

Draco/Pansy - Mysterious Fate

Chapter Summary

@microficmay day 8 ‘fate’
For @indigo-scarf

“Draco?”

The blond head in the doorway was familiar.

“Come here already.” Pansy unfurled the blanket, and Draco slid silently into bed.

“It’ll be okay.” She stroked his head, careful, calming. She didn’t know what mysterious fate the Dark Lord had set him, but she soothed him all the same.

Marietta/Ginny - Curses and Recovery

Chapter Summary

@microficmay day 9 ‘blossom’
For @wavingfromtheside

Marietta screamed as pain blossomed across her forehead, Hermione’s curse boiling her skin.

Afterwards, Ginny found her in the hospital wing and sat beside her.

“You shouldn’t have said anything.”

“Umbridge didn’t leave me much of a choice,” Marietta replied acidly.

Ginny sighed as she took Marietta’s hand. “I know.”

The Black Sisters - Saying Goodbye

Chapter Summary

@microficmay day 10 ‘moon & stars’

“Goodbye, Cissy. Don’t come after me.”

Andromeda shoulders her bag and Disapparates. The stars are impossibly bright, the moon impossibly round. Narcissa stares at the manor’s empty archway where her sister once stood.

“Forget about her,” Bellatrix’s crisp voice cuts through the night.

Narcissa nods and follows Bellatrix back inside.

Neville/Theo - Control

Chapter Summary

@microficmay day 11 ‘stutter’
CW: sexual content
For @wavingfromtheside

Hips stuttering, nails pressing into skin.

“Stop being so gentle. You know I can take more.”

Neville paused, breath shaking, but still much too controlled for Theo’s liking.

“No…” Neville drawled thoughtfully. “I think you like it when I tease. When I make you beg.”

And, well, he wasn’t wrong.

Scorpius/Ron - Instructor

Chapter Summary

@microficmay day 12 ‘languid’

“Pleasure to meet you, Scorpius. I’m your new Auror instructor.”

The man smiled, languid and relaxed, bright eyes twinkling beneath shaggy red hair.

“Thank you, Mr Weasley, sir.”

“Please, call me Ron.”

“Of c-course, sir — *Ron.”*

Ron shook his hand in a firm grip, and winked.

Scorpius’s knees nearly buckled.

Mad-Eye/Kingsley - Late Night Negotiations

Chapter Summary

@microficmay day 13 ‘synergy’
CW: implied sexual content
For @bleepbloopbotz

Post-war, Alastor rounded them up with ruthless efficiency. Kingsley stamped each and every report. The synergy of the two departments baffled even the most experienced ministrymen.

But they didn’t know about the late night negotiations, Kingsley getting on his knees as Alaster lounged across the Minister’s desk.

They didn’t know.

Tom/Ginny - No Escape

Chapter Summary

@microficmay day 14 ‘climax’
CW: sexual content, dubious consent

Sweet Ginevra, you cannot escape me.

Ginny woke, wet and shivering, Tom whispering in her ear. Over ten years, and she could still hear the silky cadence, the seductive purr of his obsession.

“Please,” she begged, even as she inched towards climax, edging for release. “Please leave me alone.”

Never.

Greg/Draco - Finally

Chapter Summary

@microficmay day 15 ‘silver & gold’
For @indigo-scarf

Silver. Draco’s ring, gaudy and huge on his eleven-year-old hand. Willingly, you join his collection.

Silver. Draco’s hair, sauntering ahead. Leading. You, as always, following.

Silver. Draco’s eyes, flashing with Fiendfyre. *Save him!* Potter dives.

Gold. Draco’s laugh, years later, no longer in front but beside you.

Finally lovers. Equals.

Lucius/Severus - Want

Chapter Summary

@microficmay day 16 ‘hoodwink’
For @queenie-jinny

It took many winking hints and hooded confessions to convince Severus to finally attend the meeting.

I need you by my side.

“This is an opportunity,” Lucius said.

I ache for you desperately.

“The Dark Lord values you greatly.”

“Why?” Severus’s black eyes narrowed. “What do you really want?”

You.

Cho/Piers - Tomorrow

Chapter Summary

@microficmay day 17 ‘scintillating’
For @nanneramma

The smell of coffee, freshly roasted, wafted through the cosy cafe.

Cho rushed in. Windswept. Scintillating. She must be magic for the way Piers’s heart leapt at the sight.

“The usual?”

She smiled gratefully. “Yes, thank you.”

Their hands brushed across the cup.

“See you tomorrow?”

“I wouldn’t miss it.”

Cho/Padma - Mumbai

Chapter Summary

@microficmay day 18 ‘downpour’
For @crazybutgood based on her fic Nirmal

“Do you remember?” I ask.

The rain pours down, a steady rhythm against the windowpane.

“Hmm…?” Cho stretches in bed, cat-like, lazy and satisfied.

“In Mumbai? We could hardly go outside because of the monsoon rains.”

“I didn’t mind.” She snuggles closer.

I kiss her cheek tenderly. “Neither did I.”

Cedric/Oliver - Stupidly

Chapter Summary

@microficmay day 19 ‘schedule’
For @sugareey-makes-stuff

“Good game today.”

They shake, grips tight, gaze lingering.

“Would you like to practice together sometime?” Cedric’s stupidly pink lips pull into a smile.

“I’ll check my schedule.”

“Great! I’d love for you to fit me in.” He winks.

Oliver stares at his stupidly round arse as he walks away.

Severus/Bill - Damn Earring

Chapter Summary

@microficmay day 20 ‘sweet & sour’
For @caitiewantstobeavadakedavrad

That damn fang earring. Dangling so sweetly, just out of reach.

He was taller now, his hair indecently long.

His coy glance at Ms Delacour across the hall left a sour taste on Severus’s tongue.

It didn’t matter, anyway. He was a Weasley, and Severus would never stoop that low.

Pansy/Percy - Do Not Spill

Chapter Summary

@microficmay day 21 ‘dishevel’
For @peachpety

Percy Weasley, Deputy Minister, most powerful man in Britain notwithstanding the Minister himself.

Pansy slunk from his office, blouse dishevelled, lipstick smudged.

A message was already at her desk.

Coffee tomorrow 7am. Do not spill it again. There will be consequences if you do.

Pansy read the note and shivered.

Charity/Severus - Anything

Chapter Summary

@microficmay day 22 ‘sharp’
For @ladderofyears

“Trust me.” Charity’s hand reaches for his. A metal contraption, round and round. “It’s a Ferris wheel. Marvellous invention, isn’t it?”

Severus hates Muggles — their inventions, their sharp words — but for her, he’ll try anything.

“Help me.” Her hands reach through the bars.

Trapped. Tortured.

For her, he’ll do anything.

Bellatrix/Narcissa - Breakout

Chapter Summary

@microficmay alt 3 ‘temptation’
For @inmyownlittlecorner

Heels on hardwood. Raspy whispers. Triumphant cackling.

Lucius enters first, barely sparing Narcissa a glance before reuniting with Draco in a passionate embrace.

Phantom temptations. Lips by her ear. Hands under her corset. Wild black hair falling over her face and blocking her view.

“Hello, pet. Did you miss me?”

Hagrid/Maxime - Worth the Wait

Chapter Summary

@microficmay day 24 ‘wait’

Much of their mission is waiting.

Huddled in a cave as the storm rages outside.

Bowed low to the ground as the giants scrutinize their meagre gifts.

Pressed together tight as adrenaline fades after the battle.

Hagrid leads Maxime to his rebuilt hut and thinks, *It was worth the wait.*

Alecto/Mrs Zabini - The Princess and the Snake

Chapter Summary

@microficmay day 25 ‘over & under’
@sapphicmicrofics day 25 ‘snake’, Ship Challenge
For @siriusly-sapphic

“Ahh! A snake!”

Alecto lunged, sword slicing over and under.

“Oh, thank you! My knight in shining armor.” Princess Ariadne batted her long lashes.

Alecto cleared her throat and looked away.

“Is there anything else you need, your grace?”

“Stay with me.” The princess grinned. “There might be more snakes.”

Neville/Remus - Together

Chapter Summary

@microficmay day 26 ‘drift’
For @nanneramma

Over the years, they drifted together.

First, outsiders. The clumsy student and the poor teacher. Both ignored, disdained.

Then, leftovers. The lone survivor and the unlucky widow. Both pitied, avoided.

Finally, builders. The herbalist and the father. Building a shop and building a family. Both from the ground up.

Together.

Hermione/Grey Lady - Knowledge

Chapter Summary

@microficmay day 27 ‘tangible’
CW: sexual content
For @herochicklyrrie007

Hermione had always been attracted to knowledge.

Books, brains, beauty.

Helena’s breath ghosted over her, chilly in the midnight library.

“Shall I continue?” The book was propped open on the table, positioned between Hermione’s spread legs.

“Y-Yes.”

Helena read, Latin spilling from her tongue, a tangible fluidness teasing Hermione’s centre.

Antonin/Thorfinn - Kiss and Forget

Chapter Summary

@microficmay alt 5 ‘same & different’
For @mugsdontlie based on her fic Reset to Default

Joining the Death Eaters, many things remained the same. Some things, however, were different.

Coming back from a mission, flushed and breathless, the need overtaking him until he couldn’t stand it and leaned in, feeling Thorfinn’s *smooth-full-hot* lips on his.

But then…

Potter’s sidekick. “Obliviate!”

And Antonin forgot it all.

Draco/Ron - Wrong

Chapter Summary

@microficmay day 29 ‘cycle’
CW: polyjuice potion, dubious consent/non-con
For @schmem14 based on her fic Mastermind

Harry visited him.

But he was wrong. Smelled wrong. Too cold, too hard.

“Love you so much,” he breathed into Ron’s hair, thrusting from behind.

But Harry didn’t. He couldn’t. Sneaking around at night, ignoring him during the day. A violent, desperate cycle.

“Please,” Ron gasped.

Please stop. Please more.

Draco/Harry - For Us

Chapter Summary

@microficmay day 30 ‘better & worse’, E Challenge
For @ladderofyears

A vow, by Draco for Harry, by Harry for Draco.

“I do.”

Glowing grins, clasping hands.

“For you,” Harry says, sliding a ring on.

“For us,” Draco says, matching him.

Island sun. Pink skin, puffy lips.

“For you,” Draco says, lounging across silk pillows.

“For us,” Harry says, kissing him.

Walburga/Bellatrix - Not

Chapter Summary

@microficmay day 31 ‘oscillate’
@sapphicmicrofics April day 11 ‘different’, Ship Challenge
CW: incest

Walburga watches her niece grow. So like her mother, but not.

Smaller, then not.

Quieter, then not.

Softer, then not.

Walburga thinks she's safe in her watching, her oscillating fascination. Her mother never noticed after all.

She's safe until she's not. When Bellatrix turns one day and watches her back.

Sirius/Draco - Magic Mirror

Chapter Summary

@microficmay bonus ‘translucent’
CW: voyeurism
For @danpuff-ao3 based on her fic Gray Eyes (Tell No Lies)

Chapter Notes

See the end of the chapter for notes

Pink panties, crisscrossed lace.

Draco slides a hand down his chest; Sirius leans closer — the translucent mirror the only layer between them.

“I know you're watching,” Draco murmurs, his little cocklet giving a pitiful jerk through his panties.

Sirius groans and cups himself through his jeans.

“Come get it then.”

Chapter End Notes

And that's a wrap! If you're reading this then THANK YOU for sticking it out until the end. I can't believe it's already the end of May. All microfics can also be found on my Tumblr (@lumosatnight). Stop by and say hi!
